00:59:38 Matt & Belinda: I have a concern about leaving the stock in China. I'd prefer it sat at a 3PL in the USA.

01:00:09 andy: mat

01:00:19 sally fasano: I have stock in 3PL and already looking in to FBM

01:00:39 sally fasano: AML says they will offer it

01:00:43 Matt & Belinda: Happy for it to sit at 3PL until amazon begins accepting again.

01:01:05 andy: mat I agree also

01:01:15 Duncan & Cathryn Rose: Any 3PL recommendation other than Amazing Log....?

01:01:19 Jane Leadbeater: I'd be surprised if Amazing Logistics will take on any more FBM at this stage - they are +++ swamped and are only just setting up FBM systems.

01:01:23 Bec Onley: Be aware of time frames for third party logistics before sending stock. They are all flat out due to this. Everyone is shopping online. I spoke to a handful and lots of them aren't taking new customers.

01:01:27 Georgie: I duplicate

01:01:28 Matt & Belinda: Lucky Lucky also have storage
